

SEEKONK COMMUNITY PRESERVATION COMMITTEE

Minutes June 9, 2014

Present: John Alves, Jason Adamonis, Neal Abelson, Richard Wallace, Priscilla Dunn, Willit Mason, Dave Norton, Susan Waddington

Absent: Jim Tusino

The meeting was called to order in the Seekonk High School Band Room at 6:30 p.m.

Our primary business was to discuss the upcoming warrant articles for purchase of 2 pieces of property: the Lagerquist property on Bittersweet Drive and Woodland Ave. and land owned by the Turner family on Read St. The Board of Selectment will introduce each article and John Alves will then present the CPC background. Willit will be there to represent the Land Trust and Richard Wallace will speak for the Conservation Commission.

July 14 was selected as the date for our next meeting and the annual Public Hearing. The meeting to begin at 7:00 and the Public Hearing at 7:30. We will reconvene following the Public Hearing should it be necessary.

Kelley Whitmore presented a bill for \$90.19 to cover the printing costs for flyers to be handed out before the meeting. The Committee unanimously voted to pay the bill.

We discussed Article 30 – an article requesting \$120,000 from the town for installation of the new Old Town Hall roof. It was the feeling of the group that this would probably not come to a vote. At this point the CPC has no direct interest in this matter as we have no application before us, so it will be up to the voting citizens to decide yes or no.

The meeting was adjourned at 6:45

Next meeting: July 14, 7:00 Town Hall meeting room

Respectfully submitted,

Susan Waddington

Clerk
