Community Garden

**The Seekonk Community Garden at The Commons is a project of
Seekonk Human Services, in cooperation with the Seekonk Housing
Authority.**

**Last year, we had a successful third season.
Our gardeners – both experienced and first timers – grew tomatoes,
peppers, zucchini, peas, strawberries, lettuce, cabbage, eggplants,
leeks, green beans, Brussels sprouts, and a variety of herbs.
The garden is a way of adding fresh fruits and vegetables to your
table, taking part in a healthy physical activity, and socializing with
neighbors.**

If you'd like a garden plot, you need to apply.

The fee is \$10 (non-refundable).

**For an application or for more information,
please call Priscilla at (508) 915-8013**
