

**ARTICLE 22:** To see if the Town will vote to amend the Zoning Bylaw, SECTION 12.1 PURPOSE and SECTION 12.2 DEFINITIONS by removing these sections in their entirety and substituting the following, or take any other action relative thereto:

### **12.1 PURPOSE**

12.1.1 This section is adopted for the regulation of signs, and advertising devices, within the town in order to protect and enhance the visual environment of Seekonk, by creating a balanced sign texture, diminishing any visual confusion, enhancing a particular building, or total streetscape, and stimulating responsible business activity. This section shall also serve to protect and enhance the safety, convenience, and welfare of all residents, businesses and consumers alike, and to prevent and minimize damage to the environment.

12.1.2 Any sign or advertising device hereafter erected or maintained shall conform to the provisions of this zoning by-law, and the provisions of the State Building Code, and any other by-laws, or regulations of the municipality. The term "sign" shall include any advertising device.

### **12.2 DEFINITIONS**

**Abandoned Sign** - Any sign associated with a use which has ceased operations for sixty (60) or more days and/or contains or exhibits broken panels, visible rust, visible rot, damaged support structures, missing letters, or which is otherwise dilapidated, unsightly, or unkempt shall be deemed an abandoned sign.

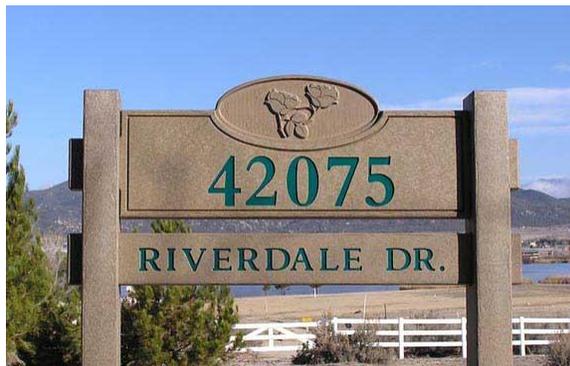

**Accessory Sign** - A sign that provides information pertaining to, but that does not specifically identify a business, product or activity, including signs such as, "open," "closed," "VISA," phone number, website, email or other similar information.

**Address Sign** - A sign indicating the numerical location, or numerical and street location, of a particular property.

**Ad Step** - Advertising placed on the riser or treads of stairs.

**Advertising Device** - (excluding Balloon Signs)  
Any principally non-verbal device designed for advertising purposes, such as caricatures, animals, ice cream cones, arches etc.

**AdWalk** - Advertising placed on or within a sidewalk.

**A-Frame Sign** - A sandwich sign that is connected at the top or bottom.

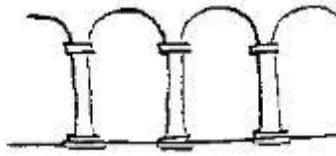

**Animated Sign** - A sign employing actual motion, or the illusion of motion. Animated signs, which are differentiated from changeable signs as defined and regulated by this code, include the following types:

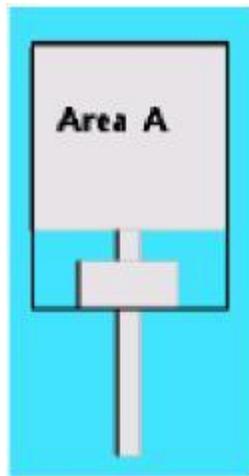

1. Environmentally Activated: Animated signs or devices motivated by wind, thermal changes, or other natural environmental input. Includes spinners, pinwheels, pennant strings, and/or other devices or displays that respond to naturally occurring external motivation.
2. Mechanically Activated: Animated signs characterized by repetitive motion, and/or rotation, activated by a mechanical system powered by electric motors, or other mechanically induced means.
3. Electrically Activated: Animated signs producing the illusion of movement by means of electronic, electrical, or electrical-mechanical input, and/or illumination capable of simulating movement through employment of characteristics of one, or both of the classifications noted below:
  - A. Flashing: Animated signs, or animated portions of signs whose illumination is characterized by a repetitive cycle in which the period of illumination is either the same as, or less than the period of non-illumination. For the purposes of this ordinance, flashing will not be defined as occurring, if the cyclical period between on-off phases of illumination exceeds seven (7) seconds.
  - B. Patterned Illusionary Movement: Animated signs, or animated portions of signs, whose illumination is characterized by simulated movement, through alternate, or sequential activation of various illuminated elements, for the purpose of producing repetitive light patterns designed to appear in some form of constant motion.

**Arcade** - A series of arches supported by columns or piers, that may be attached to a wall or freestanding.

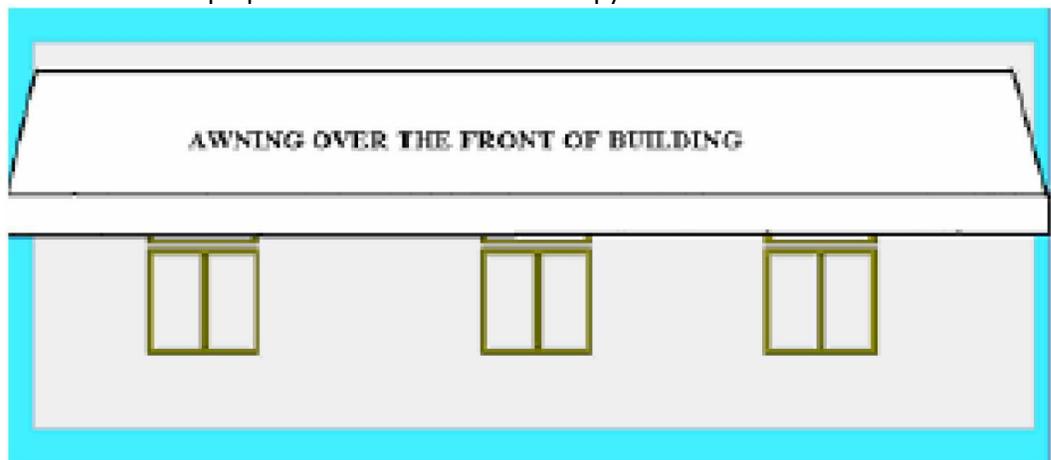

**Area of a Sign** - The area of a sign shall be calculated by measuring the entire face of a sign including the advertising surface and any framing, trim or molding, but excluding supports which do not bear advertising. Where a sign consists of individual letters, symbols or multiple panels (i.e. a multiple faced sign), the area shall be considered to be the smallest rectangle which encompasses all the letters, symbols or panels. Only one (1) face of a double-faced sign shall be used in computing the area of that sign.

**Audible Sign** - Any sign which emits a sound which is audible or emits a signal which can be converted into audible sounds, whether by radio or other means.

**Awning** - Any device, fixed or retractable, of any material, which extends over or otherwise covers a sidewalk, courtyard, walkway, eating area, driveway, or other area or space whether that area or space is intended for pedestrians, vehicles or other purposes. Also known as a "canopy."

**Awning Sign** - Any sign that is a part of, attached to, or displayed on an awning, canopy or other fabric, plastic or structural protective cover over a door, entrance, window, or outdoor service area.

**Balloon Sign** - A type of advertising device consisting of a bag made of lightweight material supported by helium, hot air, pressurized air, or other gaseous substance having a greatest dimension in excess of 24 inches, or containing more than four (4) cubic feet of air.

**Banner** - A sign having characters, letters or illustrations applied to cloth, paper or fabric of any kind, with only such non-rigid material for backing or background, placed above or across a public or private street, or way, with the prior written permission of the Building Commissioner or designee, the Building Commissioner shall determine the terms and conditions for the use of such sign, including, but not limited to, dimensional and length of time of allowances. Neither flags nor awning signs are considered banners.

**Banners, Flags, Streamers with Logos** – Includes other advertising features, or any other banners, teardrop banners, and flags not specifically identified. Any fabric or similar flexible material containing distinctive colors or patterns attached at least one end of the material, usually to a staff or pole that contain distinctive

colors, patterns, symbols, emblems, insignia or other symbolic devices.

**Banners, Flags, Streamers without Logos** – Includes other advertising features, including “Open” Flags and unmarked flags or a non-commercial message. Any fabric or similar flexible material containing distinctive colors or patterns attached at, at least one end of the material, usually to a staff or pole, that contain distinctive colors, patterns, symbols, emblems, insignia or other symbolic devices.

**Barber Sign** - Rotating barber poles.

**Beacon** – A stationary revolving light that flashes or projects illumination, single color or multicolored, in any manner that is intended to attract or divert

attention; not including any type of lighting device required or necessary under the safety regulations described by the Federal Aviation Administration or similar agencies.

**Billboard** - A sign that directs attention to a business, product, service, or entertainment conducted, sold or offered at a location other than the premises on which the sign is located.

**Billboard - Portable** - A sign designed to be readily relocated, that directs attention to a business, product, service, or entertainment conducted, sold or offered either on or off the premises on which the sign is located. Portable billboard signs also include signs on wheels, or on portable structures such as trailers, tent signs, and normal advertising placed on motor vehicles designed specifically to be used as mobile billboards. Portable billboard signs do not include A-Frame Signs, Sandwich Signs, Menu Signs, and V-Shaped Signs, but may include Changeable Copy Signs if they are not permanently attached to a structure.

**Building Commissioner** -The Building Commissioner of the Town of Seekonk, or the Commissioner's designee.

**Business Establishment** - Any non-residential use, whether or not consisting of one (1) or more buildings. In a building with more than one (1) non-residential tenant, each tenant shall constitute a separate business establishment.

**Building Front** -The portion of a building facing the road, or any portion of a building that has separate businesses, and separate egress and ingress for the public facing a parking lot, or another public way.

**Building Sign** - Any sign attached to any part of a building, as contrasted to a ground sign.

**Canopy** - A roof-like cover, often of fabric, plastic, metal, or glass on a support, that provides shelter over a doorway.

**Changeable Copy** - Any lights, lettering, or images that may be electronically, or manually changed to form a sign message or messages.

**Changeable Sign** - A sign with capability of content change by means of manual, or remote input. Includes the following types:

1. Manually Activated- Changeable sign whose message copy or content can be changed manually on a display surface.

2. **Electrically Activated:** Changeable sign whose message copy or content can be changed by means of remote electrically energized on-off switching combinations of alphabetic, or pictographic components arranged on a display surface. Illumination may be integral to the components, such as characterized by lamps, or other light-emitting devices; or it may be from an external light source designed to reflect off the changeable component display. See also: Electronic Message Sign or Center.

**Commercial Message** - Any sign wording, logo, or other representation that, directly or indirectly, names, advertises, or calls attention to a business, product, service, or other commercial activity.

**Construction Signs** - A sign identifying an architect, builder, contractor, subcontractor, material supplier, financing entity, or others participating in construction, design or alteration on the property on which the sign is located. Said signs may also include a picture of the building under construction.

**Directional Signs** - Any sign limited solely to directing both vehicular and pedestrian traffic within or setting out restrictions on the use of parking areas.

**Directional or Traffic Safety Signs with Logos** - A sign identifying entrances, exits, parking areas or other operational features of premises, and/or providing directions for the safe and/or efficient flow of vehicular or pedestrian traffic. (Directional or traffic safety signs within public roadway layouts are governed by the Massachusetts Department of Transportation and Highways Manual on Uniform Traffic Control Devices.)

**Directional or Traffic Safety Signs without Logos** - A sign identifying entrances, exits, parking areas or other operational features of premises, and/or providing directions for the safe and/or efficient flow of vehicular or pedestrian traffic. (Directional or traffic safety signs within public roadway layouts are governed by the Massachusetts Department of Transportation and Highways Manual on Uniform Traffic Control Devices.)

**Directory Sign** - A sign which may be utilized by multiple business establishments occupying a single building with a shared public entrance.

**Display Surface** - The area of the sign measured by exterior dimension of established bordering available for the advertising message.

**Double-Faced Sign** - A sign with two faces or panels, neither that is visible at the same time, and that, unlike a V-shaped sign, are directly back to back.

**Drive-through Menu Sign** - A sign associated with drive-through windows or kiosks, and directed to drive-through traffic.

**Electronic Message Sign or Center** - A sign on which the characters, letters or illustrations can be changed automatically, or through electronic or mechanical means. Electronic message centers exclude time and temperature signs. See also Changeable Copy Signs.

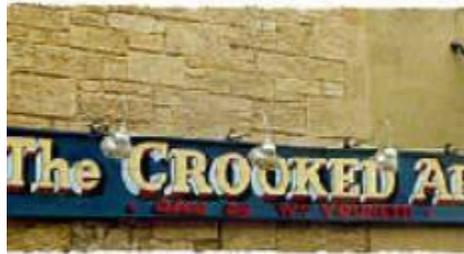

**Electric Sign** - Any sign activated, or illuminated by means of electric energy.

**Entrance** - A means of accessing a building. For the purpose of regulating signage the following are types of entrances:

1. Public Entrance - An entrance to a single business establishment available for use by the general public during hours of operation.
2. Principal Entrance - The primary public entrance to a single business establishment.
3. Secondary Entrance - A public entrance to a single business establishment that is additional to the principal entrance.
4. Shared Public Entrance - A common public entrance that provides access to multiple business establishments but does not directly access any single business establishment.

**Erect** - To attach, build, paint, construct, reconstruct, alter, enlarge, or relocate.

**Externally Illuminated Sign** - A sign illuminated by an external light source directed solely toward such sign.

**Facade of the Business Establishment** - That portion of the building wall facing a street or containing a public entrance, which corresponds to the height and width of the interior space rented or owned by the tenant of the business establishment.

**Flag** - Any fabric or bunting containing colors, patterns, or symbols used as a symbol of a government or other entity or organization.

**Flashing Sign** - A sign that contains an intermittent or sequential flashing light source, but excluding changeable-copy signs, electronic message centers,

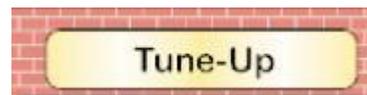

animated signs or signs that, through reflection or other means, create an illusion of flashing or intermittent light.

**Free-Standing Ground Sign** - A freestanding sign that is supported by one (1) or more uprights or braces that are in or upon the ground.

**Garage Bay Signs** – Signs over the entry way to service bays at a gasoline station or garage.

**Government Signs** - Any sign erected and maintained by a duly constituted government agency.

**Grade** - Height above ground level as determined by the crown of the closest public road.

**Ground Sign** - Any sign, supported by structures or supports that are placed on or anchored in the ground, independent from any building or other structure.

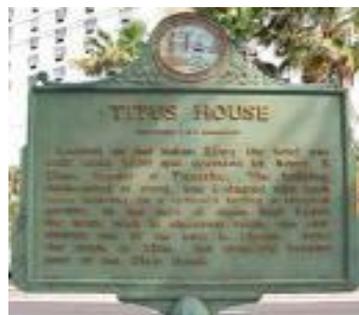

**Halo Lighting** - Light showing from the back of, or from within a letter or graphic shape, out towards the surface that the letter or graphic is mounted on, without having any light visible through the face of the letter or graphic.

**Height of a Sign** - The vertical distance including landscape features and mounding measured from the highest point of a sign to the grade.

**Historic or Commemorative Plaque** - Any sign or plaque indicating the name of a building, the date of erection and/or incidental information about its construction, also known as memorial signs or markers.

**Home Occupation Sign** - An on-premises sign indicating a business, trade, occupation or profession conducted at the proprietor's residence or within a structure accessory to the residence.

**Illegal Sign** - A sign that does not meet the requirements of this code.

**Illuminated Sign** - A sign lighted or exposed to artificial light either by lights on or in the sign or directed towards the sign including Halo Lighting, Direct/External Lighting, Indirect Lighting, Internal Illumination, Flashing or Intermittent Lighting.

**Indirect Lighting** - Illumination by means of a concealed light source, whereby all devices are shielded from view by opaque or translucent materials, and including reflected lighting.

**Individually Lettered Sign** -A sign made of separate and distinct lettering, promoting, or as part of the same message, the dimensions of which shall be the height of the tallest letter, and the width of all combined letters fully displayed.

**Institutional Use** - For the purpose of this Section, shall mean any religious or educational use.

**Internally Illuminated Sign** - A sign illuminated by an internal light source, utilizing translucent panels, canvas or other fabric, letters, devices or other similar components to create an image by allowing light to pass through. A "Reverse Lit" sign is not an internally illuminated sign.

**Ladder (Directory) Signs** - A freestanding ground sign with two (2) vertical supports and two (2) or more crosspieces serving as individual signs.

**Location** - No sign or any part thereof shall be within the layout of a public way or sidewalk or shall obstruct highway vision.  
No signs permitted or temporary shall be erected or placed on public property, unless exempted hereunder, including all municipal and all other allowed governmental signs, including all governmental street devices.

**Logo** - A distinctive emblem, symbol or insignia identifying a particular product, service, business, activity or entity.

**Maintenance Sign** - A sign identifying an architect, builder, contractor, subcontractor, material supplier or others participating in maintenance on the property on which the sign is located.

**Maintaining a Sign** - The cleaning, painting, or repair or replacement of defective parts of a sign in a manner that does not alter the basic information, design or structure of the sign.

**Marquee** - Any sign attached to a roof, side of building and extending perpendicular to a wall, or awning, which then projects over the entrance, or other portion of the building.

**Mechanically Activated Sign** - Signs that have moving parts other than Barber signs.

**Menu Signs** - A sign illustrating the menu or specials for an establishment.

**Moving Sign** - Any and every sign, any part of which that is animated by mechanical or other means.

**Multi-Faced Sign** - Any sign consisting of more than one (1) sign face.

**Municipal Signs**- Municipal signs are exempt from the provisions of this section.

**Neon Signs** - An illuminated sign containing a glass tube filled with neon, phosphors or other gaseous substance that is bent to form letters, symbols or other shapes. Exposed Neon Signs shall include tubes, and other materials that mimic neon such as fiber optic, that are visible either through exposed lighting on the sign face, or through transparent or translucent material from a light source within the sign. This includes said signs whether or not they are enclosed in a box or other framing material.

**Non-Conforming Sign** - Any sign legally erected prior to the adoption of this section, or any amendment thereof, which does not conform to the requirements of this section or such future amendments

**Normal Grade** - The lower of 1) existing grade prior to construction or, 2) the newly established grade after construction, exclusive of any filling, bermming, mounding, or excavating solely for the purpose of locating the sign.

**Off-Premise Signs** - A sign that identifies or provides information pertaining to a business, lessor, lessee, service, owner, product or activity that is not located on the premises where such sign is located.

**On-Premise Sign** - A sign which identifies or provides information pertaining to a business, lessor, lessee, service, owner, product or activity, which is located on the premises where such sign is located.

**Open House Signs** – A sign promoting an “Open House”.

**Out-of-Store Marketing Device** - An out-of-store marketing device is any facility or equipment which is located outside of a primary building on a site zoned for nonresidential uses, which is used for the primary purpose of providing a product or service without the owner’s or agent’s immediate presence, and which is manufactured to include a color, form, graphic, illumination, symbol, and/or writing thereon to communicate information regarding the product or service provided thereby to the public. Examples of out-of-store marketing devices include: fuel pumps, bank ATM units, vending machines, newspaper racks, drink machines, ice boxes, and phone booths.

**Painted Wall Sign** -A wall sign that is applied with paint, or similar substance on the face of a wall; such sign shall be considered a wall sign for calculation purposes.

**Pennant** - Any lightweight plastic, fabric, or other material, whether or not containing a message of any kind, suspended from a rope, wire, or string, usually in a series, designed to move in the wind. Also known and referred to as a streamer.

**Permanent Sign** - Any sign of a type and construction as not to be easily or readily removed, which, when installed, is intended for permanent use. Types of permanent signs include, but are not limited to, standing signs, wall signs, awning signs, and window signs.

**Portable Sign** - A sign which is not permanently affixed to the ground or to a structure, including but not limited to signs on trailers which are parked in such a manner as to serve the purpose of a sign.

**Preexisting Nonconforming Sign** - Any sign that conformed to the provisions of the Sign Code By-law, if any, at the time it was erected, but does not conform to the current requirements of this by-law.

**Projecting Sign** - A type of wall sign which is perpendicular to the wall to which it is attached and projects away from such wall.

**Public Service Signs** - A sign that exclusively promotes an activity or event of general interest to the community and that contains no advertising features.

**Real Estate Signs** - Any sign that is used for the sale, lease or rental of real property.

**Residential Decorative Signs** - A sign indicating a name for a residence at the premises, and not advertising any products or services.

**Residential Identification Signs** - A sign indicating a name for a residence at the premises, and not advertising any products or services.

**Regulatory or Safety Signs** - A sign that provides directions or regulations for the safe and legal conduct of activities on the premises.

**Reverse Lit** - A type of sign and/or sign illumination using an opaque face and sides, generally constructed of aluminum, and a clear polycarbonate back or no back. Light does not pass through the face of the sign, but rather comes out of the back of the sign and is cast off the wall behind the sign, thereby creating a silhouette of the outline of the sign face. Also known and referred to as "Reverse Back Lit", "Halo", or "Halo Lit" sign or sign illumination.

**Roof Sign** - Any sign erected and constructed above, or projecting above, the lowest point of the eave or the top of a parapet wall of any building, or which is painted, or otherwise attached, or affixed to a roof.

**Sandwich Board Signs** - A self-supporting, double-paneled sign, whose panels are not parallel but that are connected along one (1) edge and separated along the opposite edge. If connected on a side edge, it is a V-shaped sign. If connected at the top or bottom, it is an A-frame sign.

**Seasonal** -The regular cyclic seasons of the year, whether winter, spring, summer or fall; or special "holiday seasons" such as Christmas, Easter etc. Unless otherwise specified, seasonal shall refer to the normal summer tourist season – generally the time period between Easter and Columbus Day.

**Seasonal Display** - An outdoor display for the purpose of celebration of the holidays, or seasons.

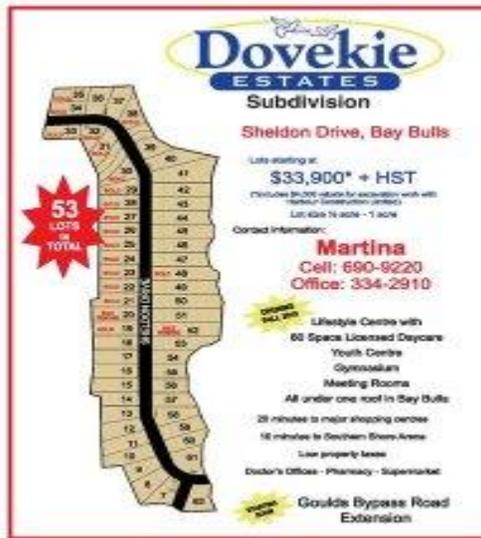

**Seasonal Sign** - A Temporary Sign used by a business that operates on a seasonal basis

**Special Purpose Sign** - A sign giving warning, prohibition or instruction, such as "no hunting", "no turning", "no trespassing" or "beware of dog".

**Subdivision Lot Plan Sign** - A sign depicting the lot plan of a subdivision.

**Subsidiary Sign** - A sign that is attached to and smaller than another sign.

**Sign or Advertising Device** - Any permanent or temporary device, billboard, placard, painting, drawing, poster, letter, word, banner, striping, denoting a particular firm, pennant, insignia, trade flag, article, object, or other representation used as an advertisement, announcement, direction, calling attention to, or indicating and identifying any premises, firm, person, or activity, whatever the nature of the material used, and manner of composition or construction, and used to communicate information of any kind to the public.

**Sign Face** - That part of a sign that is or can be used for the purpose of advertising, identification or conveying a message.

**Sign Officer, Sign Committee, or Designee** - Individuals appointed by the Board of Selectmen to represent the Board. The Sign Officer or designee is responsible for permitting signs and enforcing compliance.

**Sign Permit** - A permit issued by the Building Commissioner for the erection, construction, display, removal, enlargement, alteration, repair or improvement of any sign.

**Sign Structure** - The support, uprights and braces of any sign and display area, term use, containing no reflecting elements, flags, or projections and which, when erect, stands at a height not greater than six (6) feet. Sandwich board signs shall be considered to be a type of standard informational sign.

**Standard Informational Sign** - A sign with no one side consisting of an area greater than six (6) square feet, with a sign face made for short term use, containing no reflecting elements, flags, or projections and which, when erect, stands at a height not greater than six (6) feet. Sandwich board signs shall be considered to be a type of standard informational sign.

**Standing Sign** - A permanent sign erected on or affixed to the ground and not attached to a building.

**Temporary Sign** – Any sign, banner, valance or advertising display, intended to display either commercial or non-commercial messages of a transitory or temporary nature. Portable signs, or any sign not permanently embedded in the ground, or not permanently affixed to a building or sign structure that is permanently embedded in the ground, are considered temporary signs. Ok with additions.

**Time & Temperature Signs** - A sign or portion thereof that is designed to illustrate the current time and temperature.

**Under Canopy Sign** - A sign suspended beneath a canopy, ceiling, roof or marquee.

**Vehicle Signs** - Signs on or affixed to a bus, car, boat, trailer or other motorized vehicle. A sign on an inoperative vehicle or on a vehicle that is not used in the activities of the business and parked on public or private property with the primary purpose of providing advertisement of products or directing people to a business or activity located on the same or near by premises. This provision is not intended to prohibit signs painted upon or applied directly to a vehicle that is actively used in the regular function of a business, as long as it is parked within a legal parking space on the site.

**Vending Machine Sign** - A Sandwich Sign that is connected at a side edge, with two panels, neither of which is visible at the same time, and that unlike a double-faced sign, are not flush or parallel.

**V-Shaped Signs** - A Sandwich Sign that is connected at a side edge, with two panels, neither of which is visible at the same time, and that unlike a double-faced sign, are not flush or parallel.

**Wall Sign** - A permanent building sign not considered to be a roof sign, window sign, temporary sign, temporary window sign, or directory, attached to or erected and confined within the limits of an outside wall of any building or structure, which is supported by such wall or building. Wall signs may be mounted parallel or perpendicular to a wall, subject to the requirements herein.

**Wall or Fascia Sign** – A sign that is in any manner affixed to any exterior wall of a building or structure, and that projects not more than eighteen (18) inches from the building or structure wall. Also includes signs affixed to architectural projections that project from a building, pro façade, or to the face, or faces of the architectural projection to which it is affixed, provided the copy area of such signs remains on a parallel plane to the face of the building.

**Window Sign** - Any sign attached, painted or otherwise similarly affixed directly to the glass surface of a window or door, either inside or outside the building, and designed to be visible from the exterior of the structure.

**Yard or Garage Sale Signs** - A sign advertising a yard, barn or garage sale.

Planning Board Recommends -**

**Motion 22:** Moved that the Town vote to vote to amend the Zoning Bylaw, SECTION 12.1 PURPOSE and SECTION 12.2 DEFINITIONS, as presented in the warrant for this Town Meeting.

**ARTICLE 23:** To see if the Town will vote to amend the Zoning Bylaw, SECTION 12.7 TEMPORARY SIGNS by removing it in its entirety and substituting the following, or take any other action relative thereto:

12.7 TEMPORARY SIGNS

There shall be no temporary or permanent special promotion signs, banners, streamers, or placards erected, suspended, pasted or affixed in any manner outdoors or on the building exterior of premises in any of the zoning districts. ***All temporary signs require a permit from the Building Commissioner. Any sign displaying noncommercial speech shall be exempt from this provision.***

- 12.7.1 Unless otherwise regulated by specific provisions of this section, or elsewhere in this article, a temporary sign shall require a permit, but is subject to all applicable regulations; i.e. size, illumination.
- 12.7.2 Such signs shall not exceed thirty-two (32) square feet.
- 12.7.3 No two or more such signs of the same language shall be closer than five hundred (500) feet apart on land in contiguous ownership.
- 12.7.4 Seasonal - The regular cyclic seasons of the year, whether winter, spring, summer or fall, or special "holiday seasons" such as Christmas, Easter etc. Unless otherwise specified, seasonal shall refer to the normal summer tourist season – generally the time period between Easter and Columbus Day
- 12.7.5 No temporary sign shall be placed above the highest outside wall of the building.
- 12.7.6 No balloon may be elevated higher than the sign height restrictions applicable to the district within which it is to be used.
- 12.7.7 All such temporary signs as herein described shall meet the approval of the Building Commissioner regarding safety of construction, placement, mounting and lighting. By written notice specifying the corrections needed, the Building Commissioner shall order the immediate action of the displayer to either make the corrections or remove the sign. If immediate action is not taken, the Building Commissioner may, at his/her own initiative or with the enlisted aid of any other Town Department take the necessary steps to lawfully remove the sign.
- 12.7.8 All such temporary signs as permitted in this section shall be permitted on the same premises for a period of not more than sixty (60) consecutive calendar days; and, in no case shall the temporary sign be permitted for a period to exceed 120 days in

any one period of 365 days in the same calendar year. At the end of the period of permitted use, the sign shall be removed by the initiative of the company, organization, individual, or their agents, as indicated by the displayed information. No sign bearing the same or similar message or information may be displayed in its place.
