Dawn Loomis, Reggie to discuss new Cori process. No problem seen. Leagues will continue to process and give Parks and Recreation copies of forms. Town will no longer run Cori checks.

Parks & Recreation will revise permit to add league responsibility.

No minutes available to approve.

New Business

Neal; movie night at HMS great success with 63 attended. Thank you to Nichole Hamon for her efforts in making it happen. Committee may want to purchase a projector. Erica motion not to exceed \$600 for projector and have Jim review which unit we should purchase. Second Jason. Approved all for

Erica; attended MES PTO to offer and ask to have family movie night. PTO is open but will look to January 2016

Neal; discuss having 3 and 5 year plan done by June 2016. Set meeting with leagues to see what they believe there needs will be.

Neal; discuss having a firm assist with the field layouts and what we can do to better utilize and expand fields.

Budget;

Neal express concerns about spending habits and has contacted the State Secretary of State to review policy of who and how money is spend from a committee funding. Committee needs to do a better job in reviewing budget line items when presented. Request a year review.

Chair Report

January election. Need for a 5th member

Having walked Coles st. no tarps have been put out and the fields are in poor shape. Dave Cabral was called and promised to have fields look after. They were cut and that is it. We may need to hire outside company to winterize. Let it be known that as Chair I am not comfortable with money being spend and expenses being paid without our approval and will continue with having the state look into this new process. And if it continues that a full audit is done and our names removed from the budget.

Meeting closed 7:55

Regards

Neal Rapp

Chair.
