Town of Seekonk
Zoning Board of Appeals
A GUIDE TO THE APPEALS PROCESS – Helpful Information

The Zoning Board of Appeals is empowered to hear and decide applications for Special Permits, and petitions for Variances from property owners or duly authorized applicants, as well as, appeals or petitions from any person aggrieved by reason of inability to obtain a permit or enforcement action from any administrative officer under the provisions of the **Town of Seekonk Zoning By-laws** or **Chapter 40A** of the **Massachusetts General Laws**, by the Southeastern Regional Planning Council, or by any person including an officer or Board of the Town of Seekonk, or of an abutting city or town aggrieved by an order or decision of the Building Official, or other administrative official, in violation of any provision of the **Town of Seekonk Zoning By-laws** and/or **Chapter 40A** of the **Massachusetts General Law**.

- **Variances** are a relaxation of the terms of the Zoning By-laws where such variance will not be contrary to the public interest or nullify or substantially derogate from the intent of the Zoning By-laws and where, owing to circumstances relating to the soil conditions, shape, or topography of such land or structures but not affecting generally the zoning district in which it is located and not the result of any action or inaction of the owner or applicant, a literal enforcement of the Zoning By-laws would involve substantial hardship, financial or otherwise to the petitioner or appellant. Establishment or expansion of a use or activity otherwise prohibited (i.e., a use variance) shall not be allowed by variance. Conditions, safeguards and limitations of both time and use may be applied. Every variance must be duly recorded before it expires in order to take effect.
- **Special Permits** allow a use that would not be appropriate generally or without restriction throughout the zone, but which if controlled as to number, area, location or relation to the neighborhood, would promote the public health, safety, morals, or general welfare. Such uses may be permitted in such zone by special permit, by specific provision for such special permit uses made in the Zoning By-laws. Special permits shall be issued only for uses which are in harmony with the general purpose and intent of the Zoning By-laws and only upon subjecting the specially allowed use to general or specific provisions set forth in the Zoning By-laws, as appropriate. Special permits may impose conditions, safeguards and limitations on time and/or use. Every special permit must be duly recorded before it expires in order to take effect.
- **Appeals** are petitions to the Zoning Board of Appeals under **Section 2.1.2** of the Zoning By-laws in accordance with § 8 of **Chapter 40A** of the **Massachusetts General Laws**, including petitions from any person aggrieved by reason of inability to obtain a permit or enforcement action from any of the **Massachusetts General Laws**, by the Southeastern Regional Planning Council, or by any person including an officer or Board of the Town of Seekonk, or of an abutting city or town aggrieved by an order or decision of the Building Official, other administrative official, or Board of the Town of Seekonk in violation of any provision of the **Town of Seekonk Zoning By-laws** and/or **Chapter 40A** of the **Massachusetts General Laws**. Prior to making a decision on an appeal, including under **Section 2.1.3**, the Board may request the opinion of the Planning Board and one or more expert consultants selected by the Board as qualified to advise as to whether a proposed use will conform to performance standards contained in the Zoning By-laws.

Failure by the petitioner or their authorized representative to attend the public hearing may result in the denial of the petition or the Board may decide the matter based on the material and evidence before it. All meetings are open to the public.
PLEASE SEE THE WEBSITE FOR ACTUAL DATES AND LOCATIONS.

Decisions:

Generally, a decision is reached by the Zoning Board of Appeals at the conclusion of the public hearing. Hearings may however run over several meetings, and the Zoning Board of Appeals may continue an application to a date certain for additional information, testimony, or to allow for interested parties to submit briefs on an issue raised by an application or during the public hearing.

After an appropriate motion and vote by the Zoning Board of Appeals on an application; a written, Notice of Decision documenting the ZBA's action is prepared and signed by the Board. Under **Massachusetts General Laws, the Zoning Board of Appeals has 14 days after closing the public hearing on an application in which to execute a written decision.** Upon execution of a Notice of Decision it is filed with the Town Clerk. Copies of the Notice of Decision, bearing the stamped time and date of filing with the Town Clerk, are issued to the owner; appellant, petitioner, or applicant (if different from the owner); to the parties in interest; and to every person present at the hearing who requested that notice be sent to

him and stated the address to which such notice was to be sent. A copy of the decision must also be forwarded to the Town Clerk and Building Commissioner.

A decision of the Zoning Board of Appeals may be appealed for a period of twenty days after it is filed with the Town Clerk as provided for in **§17 of Chapter 40A of the General Laws**. During the appeal period no construction permits will be issued; nor may work commence. The time stamp on the decision from the Office of the Town Clerk begins the 20-day appeal period.

After the 20-day appeal period on the decision has expired and before the decision can be recorded with the Bristol County Registry of Deeds; the Town Clerk must certify that 20 days have elapsed after the filing of the decision and either that no appeal has been filed or if such appeal has been filed, that it has been dismissed or denied.

Recording Instructions:

After the 20-day appeal period has lapsed with no appeals, the applicant must bring the original Written Decision to the Town Clerk's Office to obtain a Certificate indicating there have been no appeals of the decision filed. The applicant is responsible for recording both the Decision and Certificate with the Bristol County Registry of Deeds located at 11 Court Street, Taunton, MA. The fee for recording the Decision is at least \$75.

Where an applicant, petitioner or appellant requests approval of an application based on the failure of the Zoning Board of Appeals to act within the statutory time limits and after notice of such an assertion has been filed with the own Clerk not more than fourteen (14) days after the expiration of the applicable statutory time limit; a copy of the application, petition or appeal together with the certification of the Town Clerk that the application has been approved by reason of the Board's failure to act and, after notice to the parties in interest by the appellant, petitioner or applicant, whether any appeals of the approval by default have been filed and the status of any such appeals shall be recorded with the Bristol County Registry of Deeds located at 11 Court Street, Taunton, MA.

After the Decision and Certificate(s) have both been recorded, the applicant must bring the recording receipt back to the Town Clerk and Building Inspector's Office.

IMPORTANT!

The Zoning Board of Appeals provides zoning relief only. The ZBA Decision is not a building permit, applicants granted relief must still apply for a building permit and seek approval from all the Town's regulatory Boards and Commissions, as applicable to a particular project. The Building Inspector SHALL NOT issue a permit until the recipient submits certification from the Bristol County Registry of Deeds that the decision has been recorded and that all other required approvals or permits have been obtained from the appropriate Town body or bodies including but not limited to the Board of Selectmen, Planning Board, Board of Health, and Conservation Commission.
